

# **Sprint Retrospective 04: 10/30 - 11/08**

**Scrum Master:** Sarah S.

## **What went well this sprint?**

- BRD got approved first!
- Extension on Milestone 1 and Team Review 2
- Efficient teamwork and communication on work items
- Team bonding time = stronger team effort and motivation

## **What went wrong or lacked this sprint?**

- Need to upload sprint docs to GitHub in real-time
- Managing time with Milestone 1 work items and getting them done promptly
- Went over Team Capacity by 1.5 hours

## **What will we carry over to the next sprint?**

- Milestone 1 work items
- Study for Team Review 2

## **What will we do differently next sprint?**

- Upload sprint documents to GitHub in real time as we do them
- Ask for feedback on Milestone 1 work items
- Adjust individual capacities to prevent going over Team Capacity
